Reg. No. 31,275 Reg. No. 33,908

has not received an Office Action with respect to this
Application.

Furthermore, a Status Inquiry was filed at 14 months, on November 26, 2004, and a Second Status Inquiry was filed on January 28, 2005. Applicant received, on January 24, 2005, a response to its Status Inquiry advising that an Office Action issued on September 29, 2004.

It is presumed that the previous Office Action was mailed to 600 Third Avenue, however, Applicant moved from ~~600 Third Avenue, and an address change was filed with~~ respect to Applicant's Customer Number and the Customer Number was filed in this Application, see Transmittal Form wherein Customer number was filed with the Application. Presumably, the Patent Office did not associate this Customer Number with the Application. A specific Change of Address correspondence form was filed on November 16, 2004 and it is believed that now the proper address is associated with this Application, however, the Office Action dated September 29, 2004, has not, as yet, been received in the below-signet's office.

Applicant specifically requests that the September 29, 2004 Office Action be reissued and the time for responding be restarted.
